Dear Mrs. Vice President: WASHINGTON OFFICE

This is a little Primature but ~~that~~ I
am sure that in Nov. after Election
the Team - Mondale - Ferraro will
replace that Movie actor in the
White House -

When I say - Movie Actor - I remember
what the Russians told him, "You
Were - a Lousy actor and now a
Rotten President".

I Can't understand why they ~~refer~~
to him as a "Popular President".

The only people that he can be popular
with is the rich - they are his friends
and supporters.

I have mailed my donation to the
Democratic National Committee the
best I can do out of my S.S. Check -

I am Mailing to you an article
that I cut out from the - Philadelphia
Inquirer March 21, 1982 .

This article should give you more ammunition in your accusations that he is trying to destroy Medicare - not long ago he cut 17 Billions of Benefits from Medicare and he is planning to cut more -

He blames the S.C. for draining Medicare, he should put that accusation on doctors - who perform operations without a need for the operation.

I saved myself from a Prostate Biopsy by going for a second opinion.

The 1st urologist said he felt something so he wanted a Biopsy - The second urologist found nothing - he asked a few questions - in regard to the prostate - I told him that I never felt any pain better - He told me to forget it - this happened in 1980 - still no problem -

my doctor wanted me to go for a check up every 3 mo. I did for 2 yrs - until I decided that he was out to make money - so I haven't seen him 9 mo - and will not go to him unless I need him -
We need Socialized Medicine -

Sorry for such long letter
God help you + Mr Mondale in your
Campaign - and Bless With "Victory".
Sincerely -
